Potchefstroom, South Africa

ABOUT ME

Detail-oriented and adaptable IT student with strong skills in Java, C# (.NET), and SQL. Gained hands-on experience during a software development internship, including data management and working in agile teams. Known for analytical thinking, precision, and a strong work ethic, supported by prior experience in healthcare and volunteering. Eager to apply back-end and database knowledge to real-world software solutions.

EDUCATION

Bachelor of Science Honours in Computer Science and Information Technology 2026 - Present

North-West University, Potchefstroom

Bachelor of Science in Information Technology 2023 - 2025

North-West University, Potchefstroom

WORK EXPERIENCE

Head Student Assistant Feb 2026 - Present

North-West University, Potchefstroom

- Lead a team of student assistants for the Introduction to Programming course.
- Coordinate marking, student support sessions, and test supervision across the team.
- Serve as the primary point of contact between students and the lecturer.
- Provide academic guidance and support to first-year students learning to program.

Software Development Intern Jun 2024 - Jul 2024

DankoSpark, Potchefstroom

- Assisted in developing a website feature using Angular.
- Organised business data in Excel and maintained data accuracy across systems.
- Participated in daily team meetings and gained exposure to real-world agile workflows.

Student Assistant Feb 2024 - Jun 2024

North-West University, Potchefstroom

- Marked practical assignments for the Introduction to Programming course.
- Assisted students with practical work and provided one-on-one academic support.
- Supervised tests and gained experience in assessment and exam invigilation.
